B. Gunliffe Esq.

Acting Collector of Madras

To

The Collector of Madura.

Sir,

I have the honor to acknowledge the receipt of your letter of the 14th September asking for information on the subject of the issue of Permission Certificates to foreigners holding Lands in your District.

In reply to your first para. I beg to draw your attention to the Circular from this Office of the 10th April 1851 from which you will see that no foreigner is considered to hold Lands legally without the permission of Government and as this permission is in the case of British subjects obtained through their Officers it is deemed expedient to follow the course laid down in the rules circulated under date the 30th June 1851. Where a Certificate has been issued not in accordance with the spirit of these rules it would be advisable to cancel it, and make applications as the rules direct.

By the rules quoted above Government decided that no fees should be charged for the issue of Land Certificates none therefore has

has been charged for those issued to foreigners.

The question as to the forms of Permission Licenses Certificates to be granted to foreigners holding lands in permanently settled Estates is at present under the consideration of Government and as soon as I receive the orders of the superior authority I shall communicate with you on the subject.

With reference to your last paragraph it appears to me that as the Bustees is a Free site granted to ryots who pay for their agricultural lands it did not seem clear why they who do not contribute to the Revenue should hold their building sites and compounds free from taxation. I therefore addressed the Board of Revenue and Land Commissioner the orders of Government which I have received bearing on this point.

Read the following letter from the Acting Secretary to the Board of Revenue.

Submitting a letter from the Acting Collector of Masulipatam stating their opinion that the Foreigners or other persons who do not pay land revenue should not be exempted from the payment of Assessment on lands occupied, and that a Pairwenth should be specified before granting them Permission Certificates. (Reference 5th November 1855, No. 19367.)

The Right Honorable the Governor in Council agrees with the Board that Foreigners occupying grounds situated within the Rattums of any Village should be charged with such Rent thereon as a moderate rater, this should be the rule however the land may have been acquired & whether the parties pay land Revenue otherwise or not.
